- NZ\$100,000,000 unsecured, unsubordinated, fixed rate, green bonds (which have a fixed interest rate of 3.55% per annum) maturing on 15 August 2024, which are currently quoted on the NZX Debt Market under the ticker code CEN050 (**CEN050 Bonds**); and

Contact is subject to a disclosure obligation that requires it to notify certain material information to NZX Limited (**NZX**) for the purpose of that information being made available to participants in the market and that information can be found by visiting www.nzx.com/companies/CEN.

The Existing Bonds are the only debt securities of Contact that are currently quoted and in the same class as the Green Bonds.

Investors should look to the market price of the Existing Bonds referred to above to find out how the market assesses the returns and risk premium for those bonds.
